Bombardier Transportation, Västerås

Bachelor Thesis

The thesis was performed locally at the headquarters in Västerås where the task was to investigate whether a given problem could be solved by basing an already existing software on plug-ins to the software development environment Qt Creator in C++ instead of the existing solution in Visual Studio .NET and C#.

Sept 2001 – May 2012

Clas Ohlson, Västerås

Project Manager

Before I started studying, I worked for 4-5 years as a traveling project manager and project staff on the new establishment of Clas Ohlson stores in Sweden, Finland and Norway.

Sales

Whereas there were no store projects, I worked as a salesman in combination as campaign manager at the store in Västerås. As a campaign manager, you have the ultimate responsibility for all communication and inventory management between store and customer on current campaigns.

EXPERTISE

Stress resistant and efficient Likes to have "many irons in the fire" and able to prioritize correctly. For example, I've studied at a rate more than 100% while I worked part-time 30-50% to support my studies.

Responsible and Ambitious Wants challenging and responsible tasks that leads to personal growth. My job as project manager there one day is never the same again is hugely rewarding.

OTHER

Language Swedish. Native.
English. Highly thorough knowledge of both speaking and writing.

Driver's License Car and motorcycle. Diving certificate (Open Water Diver).

INTERESTS

Motorcycle Drives motorcycle in all weathers.

Boat and fishing A lake or the ocean with a fishing rod in my hand is priceless.

Travelling Loves to travel and visit new countries and cities.

Exercise and sports Plays golf and floorball. Is happy to watch football and hockey.
